School Fees - 2027

Dear Parents / Guardians

As we look ahead to the upcoming 2027 academic year, we would like to thank you for your continued trust and support. We remain committed to providing an excellent educational experience for every pupil and ensuring that our school continues to be a place where children learn, grow and thrive.

To help us maintain the high standards of education, care and facilities that you have come to expect, school fees will increase by approximately 3% for the upcoming academic year.

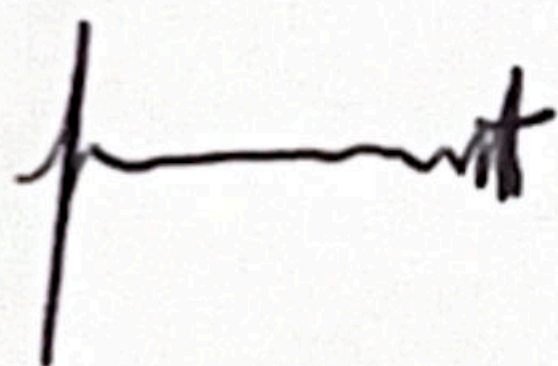

This modest adjustment reflects the rising costs across all areas of school operations. We have worked hard to keep the increase to a minimum, ensuring that it remains well below the current rate of inflation while enabling us to continue delivering the quality of education and support that are central to our school.

As an additional benefit to our families, the annual increase in school fees will not apply to families who pay the full termly fees by the Friday before the start of each new term. We hope this provides a welcome opportunity for families who are able to take advantage of this option.

We greatly value our partnership with you and remain dedicated to providing an environment in which every child can reach their full potential.

Thank you for your continued confidence in our school. We look forward to another successful and rewarding 2027 together.

Kind regards

Mark Tharratt
Headteacher

Payment Options

- Annual or termly payment before the first day of school: 3% discount for the first child, 5% for the second child and 10% for the third child.
- 10-month payment plan, completed by the end of October. Discounts apply only when the agreed payment schedule is honoured and will be allocated in arrears.

Sundries Accounts

Goods and services provided to a pupil during the term will be added to the family's Sundries Account. These may include uniforms, bus trips, sports trips and miscellaneous items such as toothbrushes. Sundries Accounts are issued at the end of each term and must be settled in full before the next term begins.

Important: Only fees received in accordance with this schedule will qualify for discounts. The school supports monthly, termly and annual payment arrangements; however, parents remain responsible for meeting the agreed payment schedule in order to qualify for the stipulated discounts.

3. Additional Charges

The following charges are separate from school fees. Estimated amounts may vary according to participation and service-provider costs.

Compulsory Charges

Bus Charges: Lusaka and Choma	Per trip	US\$8
Bus Charges: Mazabuka	Per trip	US\$4

Important: Tour, camp, uniform and photographic costs are estimates where indicated. Final charges will be based on the actual activity or service selected.

2. Terms and Conditions of Payment

- Application fees are payable when an Application Form is submitted.
- School fees are payable in advance.
- Monthly payment arrangements may extend over a maximum of 10 months, from January to October.
- Security deposits are refundable when a pupil completes Grade 7 or when a full term's notice (four months) is provided.
- Security deposits for Satellite School pupils are refundable when the pupil completes Grade 7 or when a full term's notice (four months) is provided, provided the pupil has transitioned to the Mazabuka campus.
- Security deposits will be refunded only after all amounts owing to the school have been settled in full.
- The Development Fee is a once-off, non-refundable fee payable when a child is admitted.
- The Parent Teacher's Association Levy is payable in advance for the first and third terms and is charged per family.
- Sundries Accounts must be settled in full and may not be carried over from one term to the next.
- Parents must ensure that the 25% annual fee deposit is paid by the start of Term 1.
- Where payment arrangements are not honoured, a child may not return to school until the outstanding fees have been paid.
- School fees and sundry costs are invoiced in US dollars.

2.1 Currency and Payment Administration

The Zambian kwacha equivalent of the amount due must be deposited into the kwacha account using the FNB mid-rate on the day of payment. The school's US dollar account number must be written on the deposit slip so that the payment can be receipted in US dollars.

Use the fee account reference number on every deposit. Cash payments at school are discouraged, and all bank charges are for the account of the payee.

2.2 School Fee Discount

To qualify for a school fee discount for a second or third child, fees must be paid in full or in accordance with an approved payment arrangement. The applicable discount will then be credited to the account. A 5% discount is available for a second biological or legally adopted child, and a 10% discount for a third biological or legally adopted child. Failure to honour a payment arrangement will result in the discount falling away. The annual increase in school fees will not apply to families who pay the full termly fees by the Friday before the start of each new term.

2.3 Annual Review of Fees

All fees are subject to annual review. Any change to the fee structure will be communicated to parents in writing by the Board of Directors, with one term's notice of an increase.

2.4 Bank Details

Parents are requested to pay fees directly into the school bank account to avoid holding large amounts of cash on the premises. Please adhere strictly to this requirement.
